

MATERIAL SAFETY DATA SHEET

Page 1 of 2

Product Name: **SealXpert® Ultra SealingTape**
MSDS No: 139 Revision No: 8

Issued by: Yogesh
Issue Date: 9 January 2018

Section 1 – Company Details

Company Name: SealXpert® Products
Address: 53 Ubi Avenue 1, #05-25 Paya Ubi Industrial Park
Singapore 408934
Tel: +65 6742 4992/6742 4998
Fax: +65 6749 6916
Email: mailbox@sealxpert.com

Section 2 – Composition

Ingredients:	CAS Number	% by weight
Silicone Rubber (cured)	63394-02-5	90 - 100
Amorphous Silica	7631-86-9	< 30

Section 3 – Hazards Identification

This product is considered non-hazardous by the OSHA Hazardous Communication Standard 29 CFR 1910.1200

Section 4 – First Aid Measures

Ingestion: No need for first aid is anticipated
Inhalation: No need for first aid is anticipated
Skin contact: No need for first aid is anticipated
Eye contact: No need for first aid is anticipated

Section 5 – Fire Fighting Measures

In case of fire: Use a carbon dioxide or dry chemical extinguisher to extinguish.

Section 6 – Accidental Release Measures

Personal Precautions: Use personal protective equipment recommended in section 8.
Environmental Precautions: N/A
Method for Clean-Up: Not applicable.

Section 7 – Handling and Storage

Handling: Use personal protective equipment recommended in Section 8.
Storage: Store material in original packaging away from excess heat

Section 8 – Exposure Controls / Personal Protection

Eye / Face Protection: Not applicable.
Skin Protection: Wear suitable disposable gloves
Respiratory Protection: Not applicable.
General Hygiene Considerations: Wash thoroughly after handling material prior to eating, drinking or smoking.

Section 9 – Physical and Chemical Characteristics

Physical State: Solid
Appearance and Odor: Black elastic rubber roll, rubber-like odor
Boiling Point, °C (°F): Not determined
Melting Point, °C (°F): Not determined
Flash Point, °C (°F): Not determined
Evaporation Rate (BuAc = 1): Not determined
Vapour Pressure, mm Hg: Not determined
Vapour Density (Air = 1.0.) Not determined
Solubility in Water: Nil
Reactivity with Water: Nil
Specific Gravity: 1.2 (rubber only)

Section 10 – Stability and Reactivity

This material is considered to be non-reactive under normal use conditions.

Section 11 – Toxicological Information

Inhalation:	No health effects are expected
Skin contact:	No health effects are expected
Eye contact:	No health effects are expected
Ingestion:	No health effects are expected
Additional information:	This product, when used under reasonable conditions and in accordance with the directions for use, should not present a health hazard. However, use or processing of the product in a manner not in accordance with the product's directions for use may affect the performance of the product and may present potential health and safety hazards.

Section 12 – Ecological Information

Persistence / Degradability:	N/A
Bioaccumulation:	This material is non-water soluble, if ingested it is not expected to be absorbed.

Section 13 – Disposal Considerations

Disposal : Consult federal, state and local regulations to determine appropriate disposal options

Section 14 – Transport Information

Transportation: Not classified as Dangerous Goods and can be transported by Road, Rail and Air.
The item is not restricted or not regulated as per IATA

Section 15 – Regulatory Information

Not hazardous. Observe the governmental or local regulations to use the product safely.

Section 16 – Other Information

This data sheet completes the technical notices but does not supersede them. The information contained in it is grounded to the statement of our knowledge of the product concerned at the publishing date.

Moreover, user's attention should be drawn on the possible risks incurred when a product is used for other purposes than those for which it has been designed. It does not stop in any case the user knowing and following the whole regulatory texts related to his activity. He will be the sole responsible of the precautions related to the use of the products he knows.

The aim of the whole regulatory prescriptions mentioned is to help the receiver to fulfill his duties when using the product. This list must not be considered as exhaustive. It does not stop the user from making sure that he complies with the written obligations other than those previously cited and which rule the fact of keeping and using the product for which he is the sole responsible person.
